Hello Treat:

I updated the Spanish section. I also made additional revisions to the boxed text. We were mixing the property file notifications with the annual letters. I also removed the text box and replaced it with a paragraph with a border so I could reuse the style for the Spanish boxed paragraph. I, very creatively, called the style Important paragraph. I sent the document for Steve's review. After him it goes to Fran and Kate Garufi.

Thanks for your help. Enjoy the weekend!

Jesse

Hi Jesse – Attached is the revised VB-I70 draft. My Spanish language editor is not in until Tuesday or Wednesday next week. I can have her take a look then. I thought that in the meantime you might want to send it on to start your additional reviews? If you would rather wait until we are able to do a polish edit on that new language in the intro, please just let me know.

Thanks
Treat
